These Are The Best Times Of Our Lives

To live : to give all that we have to give;
to learn and to be strong and to voice our opinions
of rights and wrongs;
to hold on to a true friend, and help those who need to hand;
to give a hand to those who care and peace and happiness
they will share;
to smile on the years to come and to share our youth
with the old and the young.

On March 24, 1978, Cheryl Thomas, a fellow Palisades senior, passed away. Cheryl loved Pali and was very involved in school activities. She enjoyed reading, art, skiing, tennis and listening to music. Everything Cheryl believed about life was expressed through the poems she wrote. Cheryl had planned to attend the University of Wisconsin at Stout for two years and then transfer to the American College in Lucerne, Switzerland. She planned to major in fashion design. Cheryl was a beautiful human being and we will always remember her.

A PARTING FRIENDSHIP

May you always camp in peaceful dels.
And let friendship be your youth. May
wisdom fill your soul. For as we heed
familiar soil, our friends we near forget.
But if we pass by memories forever we'll
regret. So take a little piece of me, and
plant it in your heart. This is the only way
that we will never have to part.

LOVE IS . . .

Love is more than an emotion
or a physical need.
It's a touch of a word
Love is the need for
companionship and laughter
The need to share beauty
and sorrow.
The need for two souls
to understand each
other
And be gentle yet strong.

Cheryl Thomas

IFACULTY

The overall accomplishments of this fine high school in all areas of school endeavor, academic, student government, athletic, art, music, drama, and many other areas in and out of the class room, continue at a high plane. The Senior Class is the one student group primarily responsible for the success of each year. I would like to extend my personal congratulations to the Invisionarians of 1978 for the contributions made and the leadership they have provided this year.

This superb, professionally produced student yearbook is a classic example of the high achievement we refer to above. Outstanding teachers plus outstanding students continue to provide the basis for the excellent educational environment at Palisades High School.

My very best wishes to each and everyone of you.

James A. Mercer
Principal

PRINCIPAL

Assistant Principal — Marie W. Power

Education is one of the inevitable consequences of life — it starts with the new born's first breath and ceases with the last. The jolt of an individual's first schooling and the mastery of elementary school precedes the jolt of junior high schooling and its mastery. The jolt of entering high school, the increasing competition and the mastery of senior high is but one more step in the forward process of LIFE. Soon most graduates will experience the jolt of the business or college worlds.

This is the reality of development in this world. The shock of entering a new environment, the learning of methods of mastery, and the ultimate mastery of each environment represents the educative process designed for coping successfully with our social structure at all levels.

As graduates of Pali, the class of '78 mastered the educational environment presented therein. This accomplishment is one more step in the increasingly difficult process of living. Congratulations INVISIONARIANS, and may your next step be as successful as previous ones.

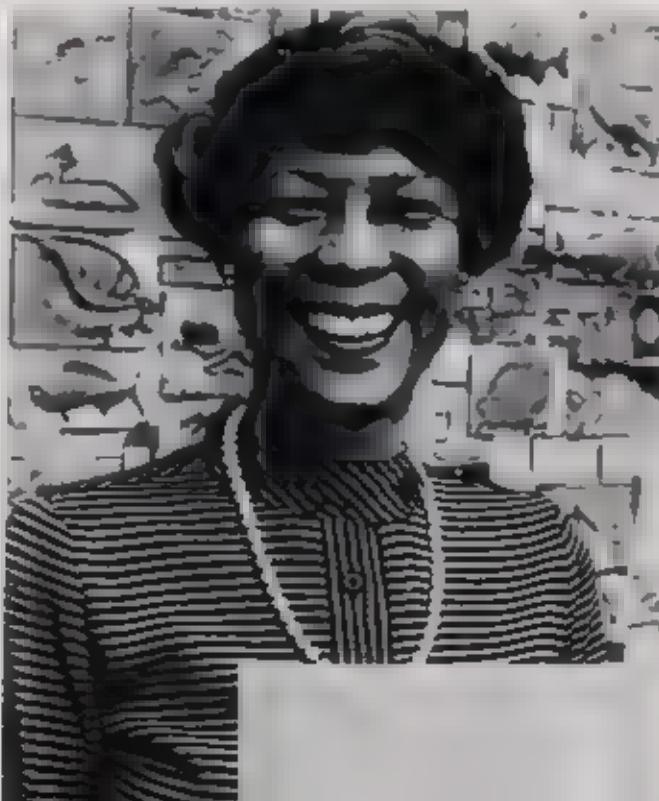

My wish for Palisades graduates of 1978

That each of today's culminating experiences be simply a promise of tomorrow's new joys, new goals, and new successes.

That you ready yourselves for decision-making which demands good judgment and a sense of responsibility.

That you carry with you throughout life those qualities of character and citizenship of which "Pali is Proud".

Assistant Principal — Thomasina Pleasant

Administrative Dean — George Carone

Administrative Dean — George Carone

Invisionarians, your high school days can never be lived again, yet their many warm and stirring moments have helped you become what you are and what you will be.

This is your memory book of students, teachers, and campus life at Palisades High School. I hope that through the years you will turn to its pages often to recall fading memories and recapture the spirit and loyalties of youth, the friendships, the trials, and successes that were yours in Pali's classrooms and on her playing fields, Pali's classrooms and on her playing fields.

For each of us, Palisades High School will ever shape the present and the future. May each of us honor her as she has honored us.

DEDICATION

The 1978 Surf pays tribute to Mrs. Jeanne B. Hernandez for her ongoing contributions to students at Pali High. With insight into their needs, she creates an atmosphere stimulating intellectual inquiry. As a teacher of English and sponsor of the Ephebian society, she is respected by students and fellow teachers alike. As one colleague put it: "She's so dedicated, so human, so understanding."

Friends have described Mrs. Hernandez as a Renaissance woman. In and out of school her interests are multi-faceted

— art, music, history, and literature. She finds joy in not just teaching but learning as well. She is fascinated with life and the changes taking place within it. She believes in fantasy for its ability to incubate the intellect.

Over the past sixteen years, she has set a standard for teachers at Palisades High. Her style is all her own. It is with gratitude that we dedicate this yearbook to Jeanne Hernandez.

Senior Shenanigans

yesterday
I wandered along the beach
I saw the simplistic strength
the waves beating forcefully
the shore
I felt the serenity of the sun
beaming aimlessly
cross the horizon
The sand
slipped smoothly between my toes
I continued, leaving imprints
my steps
hind me
A dove flew a white gull,
free and eager
spread its wings
and just be
a tear rolled down
my wndbrown face
I smiled with joy
to be a part of life

Today I walked on the beach
And saw the debility
Of the polluted shoreline waves
Lapping futilely
Onto the sand
And witnessed the existence
Of the muddy sunset
Barely visible
Through a thin layer of smog
I was surrounded by
Empty beer cans,
Loud voices,
Tall buildings
At my feet lay a gray gull
Covered with oil,
Bound and confined
To a destiny
Projected by free enterprise
A tear of sadness
Rolled down by weather worn face
As I felt remorse and shame
For mankind

Tomorrow, I fear,
My son will fight his way
Through crowded subways
And witness the insincerity
And greed
Of his brother
The peace and serenity
Of yesterday's sunset
Will fade into
Feelings of chaos and
insecurity
Cold hard concrete sidewalks
Will be dirty and cracked, and
Graffiti will cover the walls
And nature
The gulls might be heard in
the distance,
But will never enter the
metropolis,
That technological paradise
That man will have built
And his eyes shall water and
sting
From the filth in the air

But Those who care
Will cry within
And flee to the beaches
To be alone
To wander along the beach
And witness the simplistic strength
Of the Waves

As we went to press, the swim season had hardly begun. With many swimmers returning from last year's 'B' division city championship team, Palisades rated at least a longshot chance to win the city varsity title. This looked like a real longshot as El Camino Real whooped the Varsity natators in their first outing 111-30. Pali came back strong in the next meet, however, beating San Pedro 95-66 with much improved times. If they continue this week to week advancement, a run at the title remains a possibility.

FOURTH PLACE IN CITY

CEE TEAM

The Palisades High Cee Basketball team enjoyed one of its most successful seasons in recent years, finishing with a commendable 55 league record. On the strength of a one point victory at Venice in the final game, the Cee's finished in a third place tie in the Western League. Centers Jeff Swartz and Ronnie Prince provided rebounding strength, while Danny Goldberg, Eric Baker, and Anthony Brewster shared the backcourt duties. In addition, a strong bench contributed greatly to the Cee's success.

Unselfish play and a balanced scoring attack gave the Bee's their most successful season in the school's history. They won the Western League Championship with nine wins and one loss, and set a school record of eighteen wins against only two losses. After capturing the Franklin High Invitational championship, Bob Engstrom was voted MVP and Marshal Williams was All Tournament. The Bee's took the consolation bracket in the Carson Classic. Four Pal. Bee's made All League. Bob Engstrom, Brian Arms, Gary Wilson and Marshall Williams, who was selected Player of the Year in the Western League. The team averaged 62 points per game, while holding their opponents to only 54. One hundred eighty

Front Row Rod Carr, Ricky Branch, Paul Assinesi, Kevin Hughes, Darrel Mayo

Pali's 1977-78 Jayvees finished with an overall record of 8 wins 6 losses, and a 5-5 Western League Record. The Jayvees new coach, Mark Drucker, who coached basketball the last two years at Taft High, did a very fine job in his first year at Pali.

The Jayvees leading scorer was junior center Greg Wessel, averaging 12.4 points and 8.2 rebounds per game. Sophomore center Damon Gill led the team in rebounds with 10.5 a game and averaged 10.4 points. The Jayvees leading scorer was guard and playmaker Paul Assinesi until he moved up to Varsity late in the season. Assinesi was averaging 11.8 points and over 11 assists a game. Butch Hauser was the third leading scorer with 8.9 points a game.

Wessel, Gill, Assinesi, and Hauser are all fine prospects for next year's team, but there are others who added to the team. Darryl Taylor was a clutch player in big wins over UNI and Hamilton while Kevin Hughes, Neil Cole and Chris Branon helped the team towards the end of the season.

This year's basketball team began their season with high expectations and the hope of achieving a play off berth. The team's accomplishments include a pre-season record of seven wins and three losses plus a second and third place showing in the Taft and Malibu Tournaments respectively. While participating in the toughest league in the city, the Dolphins finished with a respectable record of four and six. After suffering two one point losses, Pali roared back to display the talent they possessed all season long.

Elise Feldman, Gabrielle Graves, Debbie Hall, Stacey Spearson.

This year, the girls' basketball team, with Captain Alison Aplet, and coaches Larry Schoenberg and Bill Jones, who stress playing for the excitement and enjoyment of the game, participated in the Los Angeles City Western League sponsored games held throughout Los Angeles. Despite the somewhat revolutionary ideas of its coaches, the team gained League recognition when one member, Gabrielle Graves, qualified for All Western League, composed of the season's five best players. Chris Bauwens was honored by receiving the team's annual Most Valuable Player Award, and Stacy Spearson was elected Most Inspirational. Both girls are seniors at Pali. The year's top scorer was Elise Feldman, and Debbie Hall was voted Most Improved. Each is graduating this year.

This year's tennis team is favored to capture the Western League title as well as the City Championship. This comes to little surprise considering that Pali has won the City title for the past two seasons and seven of the last nine years.

This year's team is coached by Bud Ware and led by sophomore Scott Davis. Davis holds the number two ranking in the nation for 16 year olds and recently won the prestigious Orange Bowl Tournament. Juniors Howard Sands and Scott Diehl are returning starters in singles. Sophomores John Davis and Mark Rifenbark will also be an asset to the team. Rounding out the team will be seniors Jamie Ashton, Marc Minasian, Chris Carr, Dan Cohen, and junior Ernie Schoop.

The Palisades High School Golf Teams have been the most successful in the city of Los Angeles. It is the only team to have won two CIF SCGA State Championships and four City Championships. Palisades is the present defending City Champion and hopes to repeat 1978. In fact, it has aspirations of another State Championship this year. Three of its former players are now on the professional tour: Barry Jaeckel, Mar Hunter, and Amy Alcott.

This year's track team is looking for championships in Varsity, Bee, and Cee divisions. Team balance is the key with strength from the sprints through the distance events. We expect to have a city finalist in every running event including hurdles and both relays. Pole vault should be a strong event as well. The team also has great leadership from captains Bennie Brown, and Kirk Jackson.

GIRLS' TRACK

The girls' track team is young and full of potential. In the sprints, Berryman, Burt, Grant, Knapp, Multford, and Rucker all show promise, but young Patello, Wilson and Nigro still lead the pack in the 100-220 yd. runs. Echols is challenging old timers Lenard and Swan in the 440 yd. Dash, while McBrien, McCarthy, deGrandpre, Michele and Swearingen all back up the quarter-milers. Echols and Lenard both set new school records in the 880 yd. — while McBrien, Snow hook, Wade and Patella are close behind. New tenth graders Chadwick, Leroux, and Tyler have joined the team from Cross-Country team and run the one and two mile races. These girls show fantastic promise for next year. However, Trapnell is the distance pace leader. Kim Reed runs a swift 110 yd. low hurdles, and is complimented this year by Swan, Moore, Piper and Swearingen, all new to the hurdles but improving greatly. Wright has the height in the high jump followed by Grant, Windbie, deGrandpre, McCarthy and Lenard. Lenard leads the long jumpers and shot putters followed by Grant, Gambles and Burk in the long jump, with Windbie, Mitchell, Quiroga and Smith in the shot put.

Pali's 1978 Varsity baseball team was a much improved club over last year's team which finished last in the Western league. The strong points of the team were an excellent pitching staff and a solid infield. The pitchers, all returning varsity lettermen, were seniors Phil Mack (an All Western league pick a year ago), Mike Stiles, and David Hamilton, junior Rick Wahlgren and sophomore Jon Dubin. The catcher was junior Jay Schroeder. The Dolphin's strong infield consisted of seniors Martin Loef, first baseman, Bruce Bearer, Captain of the team, second baseman, Kevin Daly, third baseman, and Rick Wahlgren, shortstop. Pali's outfield consisted of seniors Warren Hughes, David Thomas, Phil Mack, and David Hamilton, junior Jimmy Williams and sophomore Jon Dubin.

This is the third year for the Girls' Golf Team. In 1977, the team placed 1st in League and 2nd in City. This season will include 5 teams who will play a double round robin, with matches home and away. The two top teams will then compete for the City Championship. The returning Players are Allyson Glaser, Jeanie Buss, Nina Huffman, Mary Johnson, and Debbie Martinez. The new members of the team are Patti Christie, Lucile Hooton, Renee Knight, Gina Lugo, Lysa Niles, and Shelly Yarden. The team has high expectations of taking City.

As tradition has it, the JV team finishes very high in the standings, like in first place. Last year was no exception as the team finished with an 11-2 record and a share of the title with Westchester. The only other loss was to North Torrance.

In 1978 five juniors return to bolster a fine crop of 10th graders. In addition, the team will enter a tournament for the first time and have added incentive working hard to improve their game knowing that next year is the one.

Pali's recent success took a gigantic leap upward two years ago when the Dolphin Varsity defeated San Clemente (the Southern Section champions) in the Southern California Championships at UC Irvine. Five of those senior starters went on that summer to represent the nine man junior team that represented the United States mainland in the annual Pacific Rim Tournament held in Hilo, Hawaii against nations bordering the Pacific Ocean.

Last year the City Southern Section match was not held at the request of the Southern Section in spite of the fact that Pali would have been the City Representative. The team finished with a 25 and 5 season, won the City title, took third in the 18 team Inglewood Tournament (which was won by Fountain Valley which Pali beat in a non league match on their home court). The team also took second in the Pal Invitational losing to San Clemente.

This year's team looks outstanding. Height, the usually dominant physical stature of the team, experience, and the best desire to win the school has seen in years combined for the best winter league success ever. As a club team, the Dolphins were in first place over 32 teams, most of these being adult teams.

As an odds on favorite to win the City Championship for the fourth time in five years, the Pali seniors anxiously await a reinstatement of the City-SS match and a chance to be So. Cal Champs again.

JUNIOR VARSITY

The Junior Varsity, with their outstanding record of 10-0 on the season, are trying for their bid as City Champions. Like the Varsity, the power and aggression of the Jayvees is outstanding. Led by Captain Natalie Atwill, the Jayvees seemed to be always one step ahead of their opponents.

With hitters like Julia Fitzmorris, Kerry Ricard, Sara Spring, Carol Christensen, and Michelle Whitmore, what could their opponents do? With the likes of Natalie Atwill, Louise Schwartz, Linda Cleary, and Vicki Shea as setters, what else could the hitters do but put the balls away? Also added to the team are Amy Spring, Debbie Doran, and after her long injury, Kate Alexander. With all these players' league experience behind them, and their #1 seeding going into the City Play offs, they too should bring honors to Palisades.

Back Row L-R: Linda Cleary, Michelle Whitmore, Julia Fitzmorris, Vicki Shea, Lorna Stevenson, Sara Spring, Louise Schwartz. Front Row: Carol Christensen, Natalie Atwill (captain), Kerry Ricard

VARSITY

With the Varsity, the winners of the City Western League for the sixth consecutive year, outstanding hustle is the biggest feature. The three setters, Ilona Jonynas, Shelly Hamilton, and Karen Schwartz, put together the hustle and the consistency they needed to repeat as City Western League Champions. The hitters, Carole Graves, Rhonda Stoklos, Suzy Bearer, Amy Bugay, and Elizabeth Hargrave, made their presence known by putting eighty percent of their sets away. With this and their #1 seeding going into the city play offs, they should repeat as City Champions for the fourth consecutive year.
